² All Other Retail Establishments

¹ These services require a service vendor's license, which can only be issued by the Ohio Department of Taxation.

² Do not use unless absolutely necessary. Try to fit the type of business into one of the codes noted above. For example, if you are selling guns and ammunitions, you should assign the NAICS code of 451110 - **Sporting Goods & Bicycle Shops** as there is no NAICS code for retail sales of guns and/or ammunitions.
