To whom it may concern:

On May 13<sup>th</sup>, 2020, the Tax Commissioner issued a new DTE 100 form that will enable the usable forms to be scanned for data compilation. Because of this, we are beginning the transition to these new forms and ask that you please discard any unused forms you may have and replace them with the enclosed new forms. As of January 1<sup>st</sup>, 2021, we will no longer be accepting any DTE 100 forms that are not carbon copy with the barcode displayed. If you would like to request additional forms, please call or email us and we will arrange how best to get them to you.

Thank you for your cooperation and understanding as we make this transition.
